TOY DRIVE

because every child deserves to wish...

When CHILDREN STOP wishing, They STOP Hoping.

Make a child's wish come TRUE...YOU can keep their hope alive!

IDA MAE  HOME

You can participate by donating new toys for abused and neglected children in Dallas County. Ida Mae is collecting toys here in the store until **Thursday, December 6th** and providing 10% off your Ida Mae purchase the day you donate.

Thanks to the generous support of friends like you, in 2017 Community Partners of Dallas served **7,568 children** and provided each of them with two toys!

With your help we'll ensure every child's wish comes true.

Thank you for your support and participation!
